Conference

EuroEM 2020 is going to be held in Hamburg, Germany. It will continue the AMEREM/EUROEM/ASIAEM tradition of bringing together the :

• 26th High-Power Electromagnetics Conference (HPEM 25)
• 19th Ultra-Wideband, Short-Pulse Electromagnetics Conference (UWB SP 19)
• 19th Unexploded Ordnance Detection and Range Remediaion Conference (UXO 19)

It is our great pleasure to invite you to join us for EuroEM 2020. It offers a forum within the international scientific and engineering community in High-Power Electromagnetics. Internationally renowned experts will await you in Hamburg. We’re looking forward to seeing you in Northern Germany.

Awards

Early Career Award, Best Paper Award and Best Student Paper Award will be established to encourage outstanding investigators especially young investigators and students to make great contributions in the field of High-Power Electromagnetics.

Scope
The Technical Program for EuroEM 2020 is organized into 18 Technical Committees (TCs), as shown below:

<table>
<thead>
<tr>
<th>Technical Committee</th>
<th>Broad Area</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>TC 1</td>
<td>HPEM</td>
<td>Sources, Antennas and Facilities (both wideband and narrowband)</td>

Special Sessions
In addition to the 18 TCs identified above, we plan to organize special sessions on topics of current interest. You are welcome to submit your proposals to the Technical Program Committee.

General Information
The conference will be organized by Helmut Schmidt University, Germany. Working language of the conference is English. There will be a technical exhibition during the conference. Gala banquet and cocktail/welcome reception are being planned.

Paper Submission
All paper submissions should follow the A4 size Two-Column Format. Each submission will be reviewed by a team of reviewers and can have 1-3 pages containing sufficient information to allow the International Scientific Committee to evaluate their contributions.

Conference Location
As “Germany’s gate to the world”, Hamburg is a vibrant metropolis that will cater to every visitors’ wishes, from lush parks to a thriving nightlife scene.

Sponsorship Opportunities
Sponsors will be recognized by logos added to the EuroEM 2020 website with a link to their company website, a half page and company advertisement in the abstract book, and complementary exhibit booth during the conference.
