There have been some changes in the distribution for the Notes on EMP and Related Subjects. Prof. Dr. Dr.-Ing. E.h. Carl E. Baum has retired from the Air Force Research Laboratory, and is now a distinguished research professor at:

fax +1 (505) 277-1439
e-mail carl.e.baum@ieee.org
or cebaum@ece.unm.edu

or through his assistant, Charles Reuben, for note requests, address changes, etc. at

email shawnee@unm.edu

The CDs of Collected Notes (Sensor and Simulation Notes 1-422, Interaction Notes 1-568, and Miscellaneous Notes) are still available. Please contact Charles Reuben.

We hope to eventually convert the Note distribution to electronic form. For this purpose we need to make a list of e-mail addresses. We would appreciate it if recipients would furnish this information to Charles along with the current address on the mailing label.
